Hi Abhishek,

Congratulations on your promotion to Associate level. I hope you take a moment to reflect upon this achievement and celebrate with your friends and family. You have performed at a high level and demonstrated our Values in the way you approached your work.

At Cognizant, we have a purpose to engineer modern businesses to improve everyday life. That’s a bold aspiration that can only be achieved through high performers like you. Thank you for all you’ve done to help fuel our growth and success.

Please note that your promotion increase will be effective 1st April 2024 and will receive an e-letter by last week of April 2024. Your compensation increase will be reflected in your April 2024 month-end paycheck. In case of any questions, please get in touch with your Talent Partner POC.

Congratulations again!

Best Wishes and Regards,
Shuvro.
